Dear Mr. Gardner:

Insurance Services Office (ISO) has submitted a recommendation concerning your community's Public Protection Classification (PPC). Currently, the Community's Public Protection Classification rating is a Class 4.

**Insurance Services Office is recommending that the classification be changed to Class 2, with an effective date of 12/01/2005.** The recommendation is based on a review of your community performed on 01/20/2005 and does include the application of the Texas Addendum.

Public Protection Classifications range from Class 1 (best) to Class 10 (worst).

We have reviewed the information provided and believe it is sufficient to grant approval. Enclosed is a PPC Submittal sheet indicating the point totals for the major areas associated with the review. We will notify Insurance Services Office of our approval of the recommendation and the 12/01/2005 effective date.

If you have any questions regarding this change, I may be reached at the address indicated above or by telephone at (512) 305-7941.

***Please make sure all community officials and residents within your district are notified of the new Public Protection Classification rating for your community, and the effective date.***

Sincerely,

  
Jesse James Williams  
Deputy State Fire Marshal  
PPC Oversight Representative
